Letter dated the 8th March 1940, from the ~~Principal, Medical College~~ General Secretary, Medical College Association, Mysore, to the Principal, Medical College, Mysore.

On behalf of the students of the College I wish to bring the following for your kind consideration and necessary action.

In accordance with the recent Government Order, every person receiving treatment in the K.R.Hospital has had to pay the fee of one anna per day and other hospital charges such as Ward charges etc. The Medical students are not exempted from this rule.

I wish to bring to your kind notice that students of Medical Colleges in other universities are treated fee of charges Further, the Medical Students have no other hospital to go to for getting treatment except the K.R.Hospital It also works as a very great hardship on the students if they are required to pay for their treatment.

I request you kindly to obtain for us exemption from payment of charges of every kind for treatment in the K.R. Hospital, as it has been the privilege of medical students in other universities.
